### **LETTER OF RECOMMENDATION**

I am writing this letter of recommendation for **Mr. Vangala Nithin Kumar Reddy**, a highly commendable candidate, whom I wholeheartedly endorse for admission into the Masters Program at your esteemed university. In my capacity as a Professor in the Department of Computer Science and Engineering, I have had the privilege of knowing **Nithin** for nearly two years. During this time, I guided his research paper on “*Judgement Citations Retrieval for Legal Referencing*” and observed his dedication and competence in academic research.

**Nithin** is a diligent and intelligent student with remarkable creativity and keen observation skills. He excels in both independent practical work and collaborative efforts. His enthusiasm for higher education is commendable, and his continuous pursuit of improvement is evident. **Nithin's** strong communication and coordination skills make him an effective individual contributor and an excellent team player.

In my role as his academic advisor, I have witnessed his unwavering dedication to his research work. His commitment to academic research standards is reflected in the depth and quality of his work, which demonstrates his suitability for graduate studies.

Additionally, I had the privilege of guiding **Nithin** during his participation in the **Smart India Hackathon (SIH)**, where he was a valuable team member for two years. His remarkable teamwork and critical thinking skills allowed the team to approach complex problems innovatively, making a pivotal contribution to the team's success. I wholeheartedly rate him among the top 5% of students I've mentored.

I strongly recommend **Nithin** for admission to your esteemed institution with any available financial assistance, as I believe he will excel academically and contribute significantly to your academic community through his research and academic pursuits. I wish him the very best in all his future endeavors.

Sincerely,

**Dr. C. Ramesh**
